VISIT VALÈNCIA INTRODUCES YOU TO...

# LOS UVELECÉS

## MARA

Mara is like the Mediterranean Sea: warm, calm and comforting. She has the power to dominate the water, being able to change its shape or state. You will always find her wherever you can take a dip: in a swimming pool, on the beach... or even in the fountains!

## ARQUI

He's the scholar of the group. He always walks among books and knows all the monuments and buildings in València. But don't be fooled, besides a great brain, Arqui has a great power: he can travel in time and build walls with just one finger.

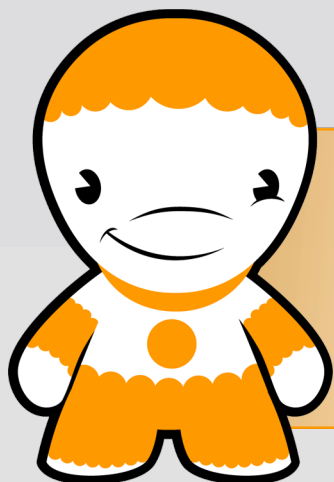

# FLORA

Flora is happy among her animals and plants. And she can call on them whenever she wants, whether it's to get her out of a hurry or just to play. She is the shyest of the group and can usually be seen in spaces where there is a lot of nature: in l'Albufera, in the Bioparc, in the Oceanogràfic...

# FLASH

Flash was born to fame. He loves all kind of partys, whether they are sporting events or music concerts. And because he can create lights and sounds, wherever he appears there is always a large party.

# BO

Bo has his own pace. He loves to walk around, enjoy the Mediterranean diet on a little terrace and take a nap. He has a great power: he can dominate the climate and people's moods. That's why when he arrives, the sun shines and people smile. If you want to find him, come by the little beach.

THE UVELÉCES LOVE TO LIVE IN

ITS FAVORITE PLACE. DISCOVER
