6.0 Specific FGG Policies

6.1 How will you address requirements of Policy guidelines for Age and Ability?

Those who sign up will need their ID and their date of birth. We can check this information before validating their participation. Ability categories exist depending on the participants' level.

6.2 How will you address requirements of Policy guidelines for Disability?

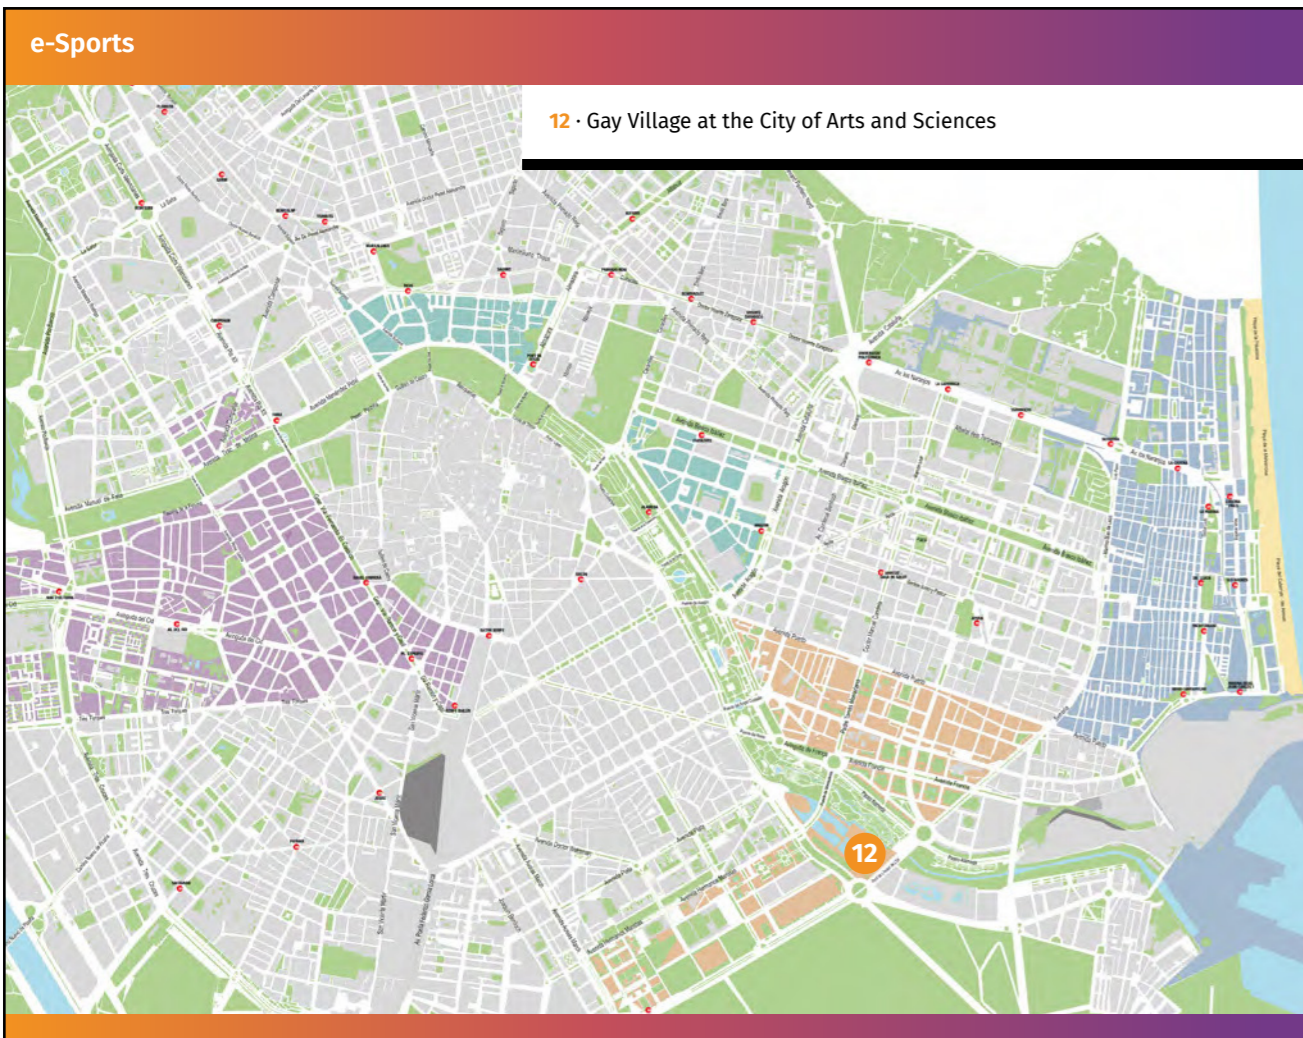

General mobility: participation in this sport is possible for everyone except those with a visual impairment. This sport is accessible to players with lower body mobility or hearing impairments.

6.3 How will you address requirements of Policy guidelines for Gender in Sport?

No gendered division.

6.4 How will you address requirements of Policy guidelines for Health and Well-being, and in particular, Performance-Enhancing Drugs?

A full medical team will be on hand for the whole tournament. Multiple age and ability divisions allows for competitors of various levels to excel. This decreases incentives for the use of performance-enhancing drugs.

6.5 How will you address requirements of Policy guidelines for Officials?

Official referees approved by the national federation (FEJUVES) will judge every situation in the matches. For any unexpected situations not stated in the IESF rules and regulations, they will make fair decisions after discussing the issue with the Referees Committee.

6.6 Will you be able to meet sport- specific Red Book requirements? What are the difficulties you foresee for meeting these requirements, and how will you deal with them? What gives you confidence that you will be able to respect Red Book requirements?

Yes, we will be able to meet the requirements of the Red Book for Esports.
