26 October 2020

Dear Bid Committee,

We would like to confirm our support of the bid for Valencia Gay Games in 2026.

The General Electric Company (GE) is an American multinational company. For more than 125 years, GE has invented the future of industry. Today, GE is best known for its work in the Power, Renewable Energy, Aviation and Healthcare industries. GE has a local presence, a strong brand, and deep customer relationships in more than 170 countries, and have invested in emerging markets for more than 100 years. For more than 10 years, GE has proudly sponsored the Olympic Games and also sponsored the Paris Gay Games in 2018.

At GE, we believe in the value of anyone's unique identity, background, and experiences and are committed to fostering an inclusive culture, where everyone feels empowered to do their best work because they feel accepted, respected, and that they belong. By embracing diverse teams and perspectives, we are better equipped to build a world that works.

Valencia and the whole of Spain are today a world reference in LGBTI+ rights, respect, equality and tolerance and, with this letter, we are proud to support the Valencia Gay Games 2026.

The opportunity for Spain to host Gay Games in 2026 will be another step forward for our country. As the largest and most important LGBTIQ+ sports and cultural event in the world, bringing the Gay Games to Valencia will have a positive impact on countries around the globe, with regards to social justice and equality for LGBTIQ+ communities. Our support to Gay Games 2026 in Valencia showcases the importance we place in diversity, inclusion and respect in the workplace and the broader community.

Yours sincerely,
