

COMO SALIR DE LA CIUDAD DE VALENCIA EN BICICLETA

– Consejos para circular con seguridad en Valencia –

Es importante que respetemos las normas de circulación. El no cumplimiento será motivo de sanción.

En la web de Ayuntamiento de Valencia, encontrarás el detalle de las normas y consejos para circular con seguridad por la ciudad.

- En Valencia las bicicletas deben circular por los espacios habilitados para los ciclistas y, en ausencia de estos, por la calzada junto al resto de vehículos
- En calzada, además, solo se puede circular en el mismo sentido permitido al resto de vehículos
- Se aconseja extremar la precaución en las intersecciones
- Debes ser visible, especialmente por la noche será necesario el uso de luces homologadas
- No está permitido circular usando auriculares o utilizando dispositivos móviles
- Por la acera está prohibido circular, a menos que sobre ella haya un carril bici o esté expresamente indicado
- Tanto en calzada como en carriles bici, respeta las señales viarias y las preferencias de paso.

¡Solo queda disfrutar de Valencia y de su entorno en bicicleta!
