## València FILM OFFICE

Due to its mild temperatures and the variety of locations, València welcomes every year numerous shoots of advertising, cinema, television and photographic reports. The City of Arts and Sciences, the historic center, the beach and the Albufera Lagoon are some of the greatest attractions for national and international productions.

In recent years, València has hosted photo shoots and shoots of numerous commercials for major car, mobile technology or fashion brands.

Also, major international productions such as HBO's Westworld, Disney's Tomorrowland, the legendary British BBC series Doctor Who and Bollywood have chosen the City of Arts and Sciences as a film set.

València has been seen on the big screen in national movies such as "La gran aventura de Mortadelo y Filemón", "Todos a la cárcel", "Amar", "El reino", "La Banda", "Vivir dos veces" or "Formentor Lady", among others. In addition, València has starred in productions such as "The Pier", "Westworld", "El silencio del pantano" and "Un mundo normal".
